

ADMINISTRATION OF JUSTICE: AS-T DEGREE

The AS-T in the Administration of Justice is designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to the Criminal Justice and Criminology major. This priority does not guarantee admission to specific majors or campuses. Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester units.

Students who wish to obtain the Associate in Science in Administration of Justice for Transfer (AS-T in Administration of Justice) degree must complete the following requirements:

- Completion of 60 semester units or 90 quarter units of degree-applicable courses,
- Minimum overall grade point average of 2.0,
- Minimum grade of "C" (or "P") for each course in the major, and
- Completion of IGETC and/or CSU GE-Breadth.

Program Learning Outcomes

1. Describe the history, structure, and functions of the main components of the American criminal justice system.
2. Analyze principles and applications of statutory and Constitutional law, particularly the requirements adhered to by law enforcement, courts, and corrections.
3. Produce written communications that meet the standards for transfer and a criminal justice system professional.
