

ADMINISTRATION OF JUSTICE: AS DEGREE

The Associate of Science Degree in Administration of Justice is a four-semester course of study. Students are required to complete 60 units to include: General Education, Administration of Justice core courses and Electives. Courses are available in a face-to-face, hybrid and online format.

Program Learning Outcomes

1. Describe the history, structure, and functions of the main components of the American criminal justice system.
2. Analyze principles and applications of statutory and Constitutional law, particularly the requirements adhered to by law enforcement, courts, and corrections.
3. Produce written communications that meet the standards for transfer and a criminal justice system professional.
4. Examine critically contemporary problems and issues within criminal justice.
5. Examine bias and cultural competence in the criminal justice system.
6. Demonstrate a work ethic consistent with the expectations of a professional criminal justice agency.
