

POLITICAL SCIENCE

Department

Do you track elections and political figures like fans follow sports? Gird your fascination with knowledge by studying Political Science. A solid foundation in the theories, practices, and institutions of politics – not only those of the United States, but of other countries – will help you become an astute political observer and informed political actor.

Occupations

A major in Political Science can prepare students for careers in government, social and political organizations, journalism, international relations, business, and education. It's also an excellent basis for graduate study or law school.

- Political scientists
- Community organizers
- Campaign strategists
- Lawyers
- Reporters
