## **PSYCHOLOGY: AA DEGREE**

The Associate of Arts degree with a major in psychology acknowledges that the student has established a foundation of knowledge in the field of psychology. This foundation can be used as a basis for further study towards a baccalaureate degree at a transfer institution. To fulfill the requirements for this degree, students will complete the required courses and work with a counselor to determine the appropriate pattern of general education courses based on the student's individual educational goals.

## **Program Learning Outcomes**

- 1. Understand the major theoretical perspectives in psychology and analyze the implications of these theories.
- 2. Comprehend the findings of research in psychology and apply this understanding to everyday life.
