

CREDIT FOR PRIOR LEARNING

Effective fall 2020, Napa Valley College approved a policy, Credit for Prior Learning (CPL) College Policies (BP (<http://go.boarddocs.com/ca/nvccd/Board.nsf/goto?open&id=BWES6M63CF51>)/AP 4235 (<http://go.boarddocs.com/ca/nvccd/Board.nsf/goto?open&id=BWESLQ65AC0D>)), Title 5 Sec. 55063/55052/55050, which works to expand current CPL practices at Napa Valley College. CPL is credit awarded for validated college-level skills and knowledge gained outside of a college classroom. Students may petition for CPL credit through one of the following assessment methods: Standardized exams such as Advanced Placement, International Baccalaureate, or College Level Exam Placement, military transcripts, industry certifications or credentials, student-created portfolios, or credit by examination.

Students may initiate CPL petition requests through the Counseling Office (<http://www.napavalley.edu/student-services-and-resources/general-counseling/>). Counselor and Program Coordinator approval are both required. Please note that P/NP grades are the only grading option given for CPL assessed via military transcripts, industry certifications and credentials. CPL approved courses are annotated as such on the student's NVC transcript.

Standardized Exams

The application of units for admission and the use of external exams to meet major requirements is complex and specific to the transfer institution. Students are strongly encouraged to thoroughly research this information. Please consult with your NVC Counselor. The information here indicates how Napa Valley College applies AP, IB, and CLEP credit toward associate degree general education requirements, CSU GE, and IGETC only. *This chart does not provide information about transfer credit generated by external exams for the purpose of admissions.* To see our board policy regarding external exam credit, visit our College Policies (<https://go.boarddocs.com/ca/nvccd/Board.nsf/Public/>) page. Students who have earned credit through AP, IB, and/or CLEP should not take a comparable college course because credit will not be granted for both the external examination and the comparable college course. *The chart does not provide information about if or how external exam results apply to major course requirements.* Applying AP, IB, or CLEP credit to meet major requirements is determined by each transfer institution. At Napa Valley College, each instructional division determines if or how the AP, IB, and/or CLEP credit is applied to associate degree major or certificate requirements.
