

# CHILD AND FAMILY STUDIES-TRAUMA INFORMED EARLY CARE AND EDUCATION: CERTIFICATE OF ACHIEVEMENT

---

This certificate is designed for individuals in career fields working with young children and families. It provides foundational knowledge about how children develop and learn; the role of the family in the child's care and education; and the impact of trauma on the child and the family. Students will also gain practical strategies for providing trauma informed care.

## Program Learning Outcomes

1. Recognize behaviors that are possibly resultant of trauma.
2. Identify strategies for providing trauma informed care for young children.
