

HISTORY

Department

Learning about the past is among the oldest and most rewarding of human endeavors. Studying history can develop one's capacity for informed citizenship, critical thinking, and awareness of the forces that shape the lives of individuals and societies.

Occupations

Studying History is an excellent preparation for careers in education, law, journalism, public relations, technical writing, fundraising and nonprofit work, consulting, museum and archival management, government service, and many other fields.

- Educators
- Journalists
- Lawyers
- Government workers
- Research analysts
